Fundinn Safety Boot

Art nr: 1001112

Previous art. nr: 13510-000

Extra wide. Lined winter boot with laces and a zip. Double-lined with both pile and Thinsulate®. Both the leather and the sole retain their strength and flexibility even at extremely low temperatures. Features a composite toe cap and an extremely lightweight, flexible and 100% metal-free puncture-resistant fabric sole. Does not get cold at low temperatures. Exclusive Italian leather upper. Flexible PU/nitrile outsole with a stabiliser bar to prevent foot torsion. Reinforced toe.
