Charged Safety Boot

Art nr: 1000076

Previous art. nr: 10073501

Unisex

Monitor Charged is a sporty hiking/protective boot loaded with everything needed for a comfortable day on the job. With the BOA® Fit System you can dial in to micro-adjustable, precision fit. outsole is Monitor's new SIGMA sole, which is a new version of the now classic Alpha sole. SIGMA has a rubber outsole with a tread pattern that provides excellent grip on slippery surfaces. The midsole contains cushioning EVA with a strong torsion fork for even greater stability. The Monitex membrane makes the boot both waterproof and breathable. The generous toecap is made of aluminium. The shoe also features Monitor's SSCC memory foam insole.
