

Division Safety Boot

Art nr: 1000086

Previous art. nr: 10079801

 Unisex

Monitors Division HD shoe is an addition to the Stealth series of products that withstand much tougher action! With a newly developed Monitor Heavy Duty HRO outsole combined with a softer Polyurethane composite midsole and a strong, reinforced greased full-grain leather upper, this shoe is designed to tolerate the tougher requirements placed on this type of product. The softness of the midsole combined with our new Pantzar APT penetration resistance results in unique cushioning and makes these lighter than most HD boots on the market. The upper has few seams, and the toe section is protected with a strong Polyurethane guard for maximum durability. The insole is a classic Monitor SS2.0 sole in 3 density PU. The inner lining in Dri-lex fabric is moisture-absorbent and quick-drying.
