

Technical Datasheet

Hand Protection & Barrier Cream

Art.no.: 31581

HYGO  CLEAN

Product image

Product specifications

- protection and barrier cream – before and during work
- lipid-restoring and silicone-free hand protection and barrier cream
- ideal if you work often with disposable gloves
- forms a protective film on the skin and reduces heat buildup and soaking of the skin while wearing gloves
- contains nourishing substances which support the healing process for small wounds (was rated as „very good“ by the German institute Dermatest)
- very high yield, economical to use and convenient

Area of application

- before working in wet areas or before putting on gloves

Specification

Volume	0.5l
