 Women

Monitor Gold is a super-modern protective shoe in the Monitor Lady series with Q last, which is designed specifically for women. The upper is made of a water-repellent mesh and microfibre material. The heel is reinforced with an external stabiliser that ensures the heel is held in the right place. The outsole is rubber with a shock absorbent EVA midsole. The generous toecap is made of aluminium. The shoe also features Monitor's SSCC memory foam insole and ESD. This model is now included in Monitor Lady's expanded size range from sizes 33 to 42, with all sizes in Q last. With the BOA® Fit System you can dial in to micro-adjustable, precision fit.
