Tactical Needle Resistant Gloves

Goatskin, touchscreen compatible

- Palm and fingers made of premium grade black goatskin.
- Needle stick resistant material in the palm and fingers provides protection from needle hazards and increases cut resistance as well as abrasion and puncture resistance. ASTM Hypodermic Needle (25 gauge) Puncture Resistance is level 5.
- Provides extreme blade cut resistance, EN 388:2016, level F (highest level).
- Touch screen material in the fingertips for operating with Touch Screen Devices.
- Elastic neoprene on back of hand keeps the hands warm and dry.
- A rubber pull tab makes gloves easy to pull on and remove.
- Adjustable Velcro closure on wrist.
- Very comfortable and fitted.
- Sewn with Kevlar® threads.
