001

The all-comfort, all-rounder outdoor shoe. The great outdoors is wide and just waiting to be explored. The WANDER GORE-TEX packs everything you need to hike, run and explore into one shoe. Prioritizing comfort with soft materials and bouncy foam, this waterproof shoe is ready for forest paths, foreign cities and any adventure you can dream up. With an all-terrain Contagrip® outsole, waterproof GORE-TEX membrane and protective fit, they will be no stopping you. An irresistible combination of bouncy EnergyCell foam, soft fabrics and just enough room for toe wriggling. An enveloping SensiFit™ construction wraps your foot for boundless confidence at every step.
