

# Ymer Safety Clog

Art nr: 1000090

Previous art. nr: 40982301

 Unisex

A classic safety clog with a durable PU-coated leather upper. The insole is made of Texon and there is a soft latex footbed lined with moisture-absorbing Cambrelle fabric. The insole is also ergonomically designed with both metatarsal arch support and toe grip. The outsole is certified non-slip in accordance with SRC. The heel strap is elasticated and adjustable to fit all users.

Black  
001
